Edge Entrepreneurship  
February 2018 – Present  
Senior Associate

Splash  
March 2017 – Present  
Lead Strategist

UChicago Badminton Team  
June 2017 – May 2018  
Co-Captain

Christians on Campus  
December 2016 – April 2018  
President

## EXPERIENCE

### United Airlines

May 2018 – Present

Strategic Analyst

Designing United Airline's first line of credit cards – independent of the current Chase contract – to be released in 2019. Reaching out to Uber for potential partnership and airport ride discounts when flying with United – something you can expect to see implemented next year!

### RE/MAX

April 2018 – Present

Technical Writer Intern (Part-Time/Remote)

Writing professional articles in response to current events, especially in the Chicago area, that may affect the housing market. Researching market conditions in major cities to analyze trends. Contacting local businesses for RE/MAX marketing support.

### UChicago Department of Economics

October 2017 – June 2018

Microeconomics Student Tutor

Tutoring (paid) both undergraduate and graduate University students in one of my areas of expertise: Microeconomics. Topics include: Supply and Demand Equilibrium, Elasticities, Consumer Demand Theory, Theory of Production, Opportunity Cost, Market Structure, Perfect and Imperfect Competition, Game Theory, Labor Economics, and Welfare Economics.

### Teach for America

March 2018 – April 2018

Strategic Analyst

Designed a two-year plan to increase TFA prestige and quality application count through partnership with Learning Unlimited. Created a pilot program, as a part of the two-year plan, to be held on the University of Chicago campus. Reformed TFA's training program to be more specialized, catering to specially-targeted individuals.

### Heartland Alliance

March 2017 – May 2017

Consultant

Designed a high school ambassador program to reach out to millennials and expand awareness for Heartland Alliance. Calculated expenditures, projected growth, and resources constraints for the program.

## INITIATIVES

### Res Novae

September 2014 - June 2016

Co-President and Co-Founder

Built from the group up – a science and technology focused journalism organization. Grew rapidly and peaked at 230+ active organization members. Constructed organization layout and hierarchy, incorporating all aspects of a professional journal group – assigned roles such as writer, editor, designer, etc. Handled initial marketing and pitches. Check it out LIVE at [www.mvresnovae.com](http://www.mvresnovae.com)!
